Dear Praying Friends & Family: *Pas. James + Fellowship Bible Church*

Greetings from the Hudson house on this beautiful spring day in Texas.

As many of you have heard, Ron stopped eating several weeks ago and has lost a lot of weight. In April, we took him to the hospital with stroke-like symptoms, but tests were inconclusive. He was treated for dehydration but was so weak, we had to place him in an assisted living facility in Clifton, Texas. We are happy to say that it is a good Christian-based care home where he is slowly regaining strength as he convalesces.

I visited Ron today and was encouraged to see him eating better, joining in conversation, and recounting memories from days past.

Our good friend Dan Kuhn from Kansas drove down on Monday and has been cooking for us this week which has been a real encouragement.

I thank the Lord for His strength and that my back seems to be doing better. Thanks to all of you who have written encouraging letters & cards and have called.

Thank you also for your continued financial support and for each time you bring us before God's throne. We are so grateful for you all.

Love in Christ,

Ron + Shirley Hudson

PTL! Ron is eating a bit more the past few days and is in good spirits! We sincerely thank you for your faithful support of prayers + gifts.
