

**Hello Friends and Family,
I wanted to send out a small update of
what I have been up to, it has been a while.**

After finishing up my mission trip in the Philippines.

**I wanted to take some time to pray and rest,
as I ask God for what next steps he wants me to take as I trust him.**

**Working at a daycare
with Two year olds**

**For about
9 months**

**In July I will be going to Eagle Fern Camp in
Oregon for a couple weeks to help out.**

**I grew up going to camp as a kid,
so I enjoy going to camp.**

My time in the US has been a blessing.

I started working at a Day care, Teaching Two year olds

The hardest thing about teaching Two's Class is

Potty training;

Teaching girls is easy but boys it has been hard , I have been peed on a couple of times.

The Lord is definitely preparing me early to become a mom

I also became an Auntie Tirzah October 30th:

I bought my first car December 13th
2006 Kia Spectra

I was also accepted into CMI

(Children's Ministries Institute in Warrenton, Missouri)

I will be joining the Fall program which begins August 11th.

I am really looking forward to learn more how to serve and help children and teach them different ways to share the gospel to them and how to minister to them.

Prayer requests:

- 1.My** time at Eagle Fern camp be a blessing, may I be a blessing to the children and the camp. For God to just use me and may I also grow .
- 2.For my time in Missouri, may I learn many things and use them for God's glory.
- 3.That I can make good friendships

If you would like to support me:

- 1.Zelle: Tirzah Mattix**
- 2.Venmo: @TirzahGoksel22**
- 3.tmattix22@gmail.com**

Thank you for all your prayers and support
I really appreciate it.
